

Superior 1050 Sports Sedan

Coastal cruiser for families or the sport fisher.

Our stylish *Superior 1050* is particularly popular for its modern looks, versatility and durability. This is the perfect gulf cruiser with ability for extended excursions. The Superior 1050 Sports Sedan is now joined by its larger 12m sister.

The *Sports Sedan* model boasts a myriad of subtle changes from its predecessors including seamless curved screens, a larger more modern dash and all our boats can be modified with different elements to tailor the craft to your own requirements.
