

Let's go places together...

SUPERIOR SportyCAT

Regardless of what you do, it's amazing how much gear often needs to be transported. Representing your business/brand/club/school or even lifestyle, it's important that wherever you are going you will look the part

With this lockable trailer you have piece of mind that your belongings are going to safe on the journey. This durable, fiberglass, waterproof trailer is stylish in looks and low maintenance by design. Each trailer can be customised to your requirements with our range of specification options.

The smooth gelcote finish stays clean, and is easily repairable as well as being completely rust and corrosion free.

The Superior Sporty Cat is clearly the best in its class being one of the most popular trailers on the market.
