

# Let's go places together...

## **SUPERIOR** MaxiCAT

Are you looking for a modern looking trailer that keeps all your equipment safe?

The Superior Maxi Cat is clearly the best in its class. This durable, fiberglass, waterproof trailer is stylish in looks and low maintenance by design. These trailers are fully secure and can be customised to your requirements.

Did you know that fiberglass is one of the most durable and strongest products in the world? It doesn't rust or breakdown and any scraps or bumps can be easily repaired.

These trailers are perfect for: Trades people, Contractors, Mobile workshops or offices, Company roof shout trailers, Event managers, Sports Clubs or anyone looking for a cost effective and efficient way to transport equipment ... in style!
